Good Luck

Lady Griffins at Districts vs.
Cody-Kilgore on Saturday,
October 31st at Neligh-Oakdale
(in Neligh)-2:00

Just a reminder to make sure you have downloaded and are using the [Box Tops for Education App](#). It is free to download and easy to use. When you set up your account, you will choose Diller-Odell Public School, so your earnings will automatically be deposited in our school account. It is easy to scan your receipt and our school is credited with ten cents per box top. It may not seem like a lot, but if we all work together, it adds up! We use the money to purchase equipment that can be used by all elementary students at outdoor and indoor recesses.

If you have box tops that are cut out, please send them to the school by the end of October, as we will be submitting them at that time. Thanks for your continued support of this program!

Kasen is a caring student who is always willing to help others. He is responsible to complete work in and out of the classroom. He has shown dedication during his quarantine time by attending all of our Zoom meetings and completing his assignments. Kasen comes to school each day with a positive attitude. He is a Griffin, showing he is responsible, respectful and safe!

2nd Grade Community Birthday Calendar

The Diller-Odell 2nd graders will soon be starting on the 2021 Diller-Odell Community Birthday Calendar. If you have any additions, deletions, or corrections, please message Mrs. Hynek (jhynek@dillerodell.org) or call either school office. Thanks for your continued support of this community project!

School Messenger Notification System

If you have not been receiving texts, calls, and/or emails from the school messenger system, please contact Dawn or Renee so we can get this updated. When checking emails, you may have to check your spam folder, they have been known to go there. Thank you!

We would like to remind **students and staff** that it is mandatory for all to wear **masks**, this may make the difference in the **spreading** and/or **quarantining** of any illnesses that pass through our school, communities, etc.
