Despite the PHS risk dial being in red, Diller-Odell Public has adjusted our plan to continue in person learning.

Although we have a number of students in quarantine, we have four student cases and no staff cases or quarantines.

The situation is fluid and could change from week to week.

Mr. Meyerle recommended amending the school calendar for 2020-21. The Board, Mr. Mezger and Mr. Meyerle recognize the extra effort by staff and students this year. Times have been modified, instruction modified, the staff is taking extra precautions with sanitizing, disinfecting, and wearing masks to keep everyone as safe as possible.

The school calendar will be amended to break for Thanksgiving at the end of a full day of school on Tuesday, November 24. The calendar will also be amended to break for winter break at the end of a full day of school on Friday, December 18.

Again, the Board, Matt and I recognize the effort by so many people, and hope the extra time off helps with motivation and serves as a well-deserved break.

2nd Grade Community Birthday Calendar

The Diller-Odell 2nd graders will soon be starting on the 2021 Diller-Odell Community Birthday Calendar. If you have any additions, deletions, or corrections, please message Mrs. Hynek (jhynek@dillerodell.org) or call either school office. Thanks for your continued support of this community project!

The Diller Community Foundation Fund is once again sponsoring the Youth Philanthropy Contest for our young citizens to help Diller-Odell Schools and our community change and grow!

Applications are due January 6, 2021

Applications can be requested at broelfs73@gmail.com or are available at Diller-Odell Public Schools. For additional information about this exciting opportunity, contact Beth Roelfs at 402-793-5556.

The 2020 grants provided funding for the elementary after school LEARN program, Mainstreet plantings in Diller and a mural in the H.S. counselor's office.

Just a reminder to make sure you have downloaded and are using the [Box Tops for Education App](#). It is free to download and easy to use. When you set up your account, you will choose Diller-Odell Public School, so your earnings will automatically be deposited in our school account. It is easy to scan your receipt and our school is credited with ten cents per box top. It may not seem like a lot, but if we all work together, it adds up! We use the money to purchase equipment that can be used by all elementary students at outdoor and indoor recesses.

If you have box tops that are cut out, please send them to the school by the end of October, as we will be submitting them at that time. Thanks for your continued support of this program!
