Electronic Payments are now available! Create a Venmo account to easily make lunch payments, pay for fundraisers through school, or anything else for which you would normally send a check. See website for more info.

Our Venmo account is: @DillerOdell-Schools

*our account is set to private, so payments will not be publicly visible

On August 31, the USDA issued COVID-19 Child Nutrition Response Waiver #56 and eight other waiver extensions. **Waiver #56 allows School Food Authorities (SFA's) to provide free meals to all students (on-site, hybrid-learning, remote) through the Summer Food Service Program (SFSP) effective September 1, 2020 and ending December 31, 2020.**

Due to this announcement all students at Diller-Odell Public Schools may eat free breakfast and lunch at school from September 14 through the end of the first semester. This does not include seconds etc.

Booster Club needs your help. Booster Club needs concession stand workers for our football games. **If we don't get volunteers, we may not have a concession stand.** All parents of Diller-Odell students are a part of the Booster Club. Please see the dates below and text Dawn at 402-239-8489 or e-mail debeling@dillerodell.org to sign up. Thank you for your support of this project.

Monday, Sept. 21 – JH Football

Friday, Oct. 9 – Varsity Football

Don't Let the Flu Bug Sneak Up on You!

Public Health Solutions doesn't want to have the Flu Bug Sneak Up on You. When more people get the flu vaccine, many less people will become sick with the flu and thus there will be less people spreading influenza to others. This is especially important if you are around infants 6 months or younger or the elderly as they are at a greater risk to have serious complications due to flu. Most healthy school aged children may not experience flu complications, but could risk exposing an elderly grandparent or baby brother/sister to the virus.

Public Health Solutions District Health Department will again be offering flu immunization clinics for students at your school. Prior to the start of clinics, students will bring home consent forms and fact sheets explaining the importance of getting the flu immunization. Parents and guardians are encouraged to read the information carefully, complete and sign the consent form, and send it back to school with their student.

Show the Flu Bug who is the winner! Not only will students have received protection against the flu by getting a flu shot, they will also be entered into a drawing. All students who return a completed permission form AND get the flu shot the day of the school clinic will be entered into a drawing for a \$20.00 gift card. Don't let the flu bug win!

Public Health Solutions District Health Department will be at your school on Friday, October 16th.

For more information, contact your school health office, or Public Health Solutions at 402-826-3880.

JH and HS Students – For those who have not purchased their activity passes, please do so right away! \$35 per pass required for 7-12 students involved in extra-curricular activities!

We would like to remind **students and staff** that we strongly encourage **all to wear masks**, this may make the difference in the **spreading and/or quarantining** of any illnesses that pass through our school, communities, etc.

Jamie Hennerberg has been diagnosed with leukemia and is currently undergoing treatment. Please help us show support for him and his family by ordering a t-shirt. You can order online at www.statelinepromotions.com or by filling out form and returning to school. Orders due by October 2, 2020. Payment due upon ordering.
