### Careers in Construction Day

Ever wonder what it's like to bend conduit or use a welder? To see a project jump from a computer screen to a construction zone? Or program a robot to automatically complete a task?

The construction industry has a variety of in-demand, high-impact, and technology-driven careers. SCC's Careers in Construction Day will give students hands-on opportunities to explore several construction-related career fields. Students will learn from industry leaders and SCC instructors and will work alongside current SCC students.

Event Details:

Wednesday, Sept. 22, 9 a.m.-2 p.m.

Milford Campus

Participants will take part in rotations and have the opportunity to learn about the selected career fields listed below:

- Construction Technology
- Masonry/Concrete Technology
- Automotive/Auto Collision Technology
- Non-Destructive Testing
- Civil & Survey Engineering
- Electrical/ Robotic Automation
- Heating, Ventilation, Air Conditioning, Refrigeration, & Plumbing
- Drafting & Computer Aided Design Technology
- Diesel Truck Technology
- Construction & Forestry Equipment
- Welding Technology

If interested please see Mrs. Becker. Sophomore through seniors, please check your student email also with this info. All participants will also need to [submit a waiver](#) (if under the age of 19, signed by a parent or guardian). Please print the waiver, have your parent or guardian sign the document (if applicable), and bring it with you the day of the event.
