Congratulations to the Class of 2022!
Best wishes for your future!

We have word from Nutrition Services that things will be returning to pre-COVID operations. The traditional free and reduced plans will apply for those who apply and qualify, but there will not be an opportunity for free meals for the school population beginning in August, 2022.

If your family has any school meal debt, it is imperative that you pay your balance by May 19, 2022. Thank you for your cooperation.
