- Friday:** No school; Spring break
- Saturday:**

Creyton Heidemann is our February Student of the Month. He is a fun, enthusiastic kid that likes to be at school and loves to be around his friends. Creyton always gives his best effort in the classroom and treats everyone the right way. He is a safe, responsible and respectful Griffin that younger kids should look up too. Creyton is the 6th grade son of Jarrod and Kristen Heidemann.

Southern and Diller-Odell have several activities that they share (co-op) and we see that continuing as we look at future class sizes. To be fair to both schools we would like to come up with a name, mascot and colors to use for those activities we are sharing. This is where we need the student's assistance. We are asking for your ideas on colors (black will be one of the colors) and a mascot. Again, this will only be used for those activities that the two schools share. At this time that includes JH football, golf and softball. If you have any suggestions, please bring them to Mr. Meyerle or Mr. Mezger.

**Driver's Education:** Any students who have or will have a school, learner's, or provisional driver's permit: The Nebraska Safety Council of Lincoln is offering driver's education class this summer and would love to have you become a safer and more responsible driver. The online class provided by Triple A must be taken before the driving portion of the class. This takes 30-35 hours with tests and instruction and must be completed before driving. You then do the driving portion during the summer. This includes five hours of behind the wheel experience, five hours of back seat observation, and a 45-minute driving test. There are 60 summer spots so don't wait to get registered. Registration opens this Wednesday, March 1, 2023. Any questions, please feel free to call Michael Policky at 402-228-4642 or email [polickymike@gmail.com](mailto:polickymike@gmail.com)
